

Inline T Adapters

2 for 1, 267 Inline T Adapters

Product Description

The 267 adapters ("2 for 1" or "T" adapters) are designed to connect two telephones or associated equipment items to an existing modular jack. These adapter allow for quick connection of two devices at a single jack location without rewiring.

Features

- *Modifies circuitry without rewiring*
- *Allows multiple connections from a single modular jack*

Specifications

Materials ----- UL V-0 Thermoplastic
 Contact pressure ----- 100 Grams min.
 Insulation Resistance ----- 500 MΩ min.
 Contact Residance ----- 10 mΩ max.
 Current/Voltage ----- 140VDC at 2 Amps
 Safety ----- cULus

Part #	Description	Wiring
267A4	2 for 1 inline modular adapter, 4-conductor to 4/4-conductor, designed for connecting two items to an existing modular jack	
267A6	2 for 1 inline modular adapter, 4-conductor to 6/6-conductor, designed for connecting two items to an existing modular jack with contacts 1&6 on the female inputs wired parallel to each other	
267E	2 for 1 inline modular adapter, 6-conductor to 6/6-conductor, designed for connecting two items to an existing modular jack	

COLOR: (-50) Ivory
